SIR GEORGE WILLIAMS CAMPUS  
1455 de Maisonneuve Boulevard West  
Montreal, Quebec H3G1M8

LOYOLA CAMPUS  
7141 Sherbrooke Street West  
Montreal, Quebec H4B1R6

Dean Counihan came to Loyola College, one of the founding institutions of Concordia University in September, 1970. His responsibilities in the first few years at Loyola included Advisor to International Students, supervision of Residence and Advisor to the fraternities and sororities [he is the only living male sister of Zeta Tau Omega!]. In 1972 he helped launch Thé-Arts Loyola, a student musical theatre company that flourished for the next three years and produced some of Canada's still working professional actors, technical specialists [notably Norbert Muncs, Director of the Technical Division of the National Theatre School of Canada, Kathy Michael McGlynn two time winner of the Dora Mavor Moore Award, JoAnn Kirwin Clark and Marcia Tratt who are currently featured in "Beauty & the Beast" in Toronto] and dozens of permanently devoted fans of musical theatre.

During much of 1973 Dean Counihan was one of the group that planned and built the Loyola Campus Centre. For most of the following ten years he was one of the two university representatives of the Campus Centre Board of Directors. Concurrently he was one of the two university representatives [Doug Devenne followed by Dr. Donald Boisvert were the others] who were members of the CUSA Centre, Inc. Board of Directors that collaborated with successive CUSA/CSU administrations in planning and constructing Reggie's and the Mezz Café that opened in February, 1992.

Soon after the founding of Concordia University in August 1974 Dean Counihan was part of the planning group that fashioned Student Services for Concordia and designed the Concordia Council on Student Life which continues today to govern Student Services at Concordia. It has the distinction of being the only university governing body that is composed of an equal number of student and non-student representatives.

In 1977 Dean Counihan was appointed Acting Dean of Students [Loyola Campus] because of the extended illness of Fred Audet who was Dean of Students. In 1979 he was named Dean of Students [Loyola Campus]. In 1981 he was named Acting Dean of Students for Concordia following upon the retirement of his counterpart on the Sir George Williams Campus, Magnus Flynn. In 1982 he was appointed Dean of Students.

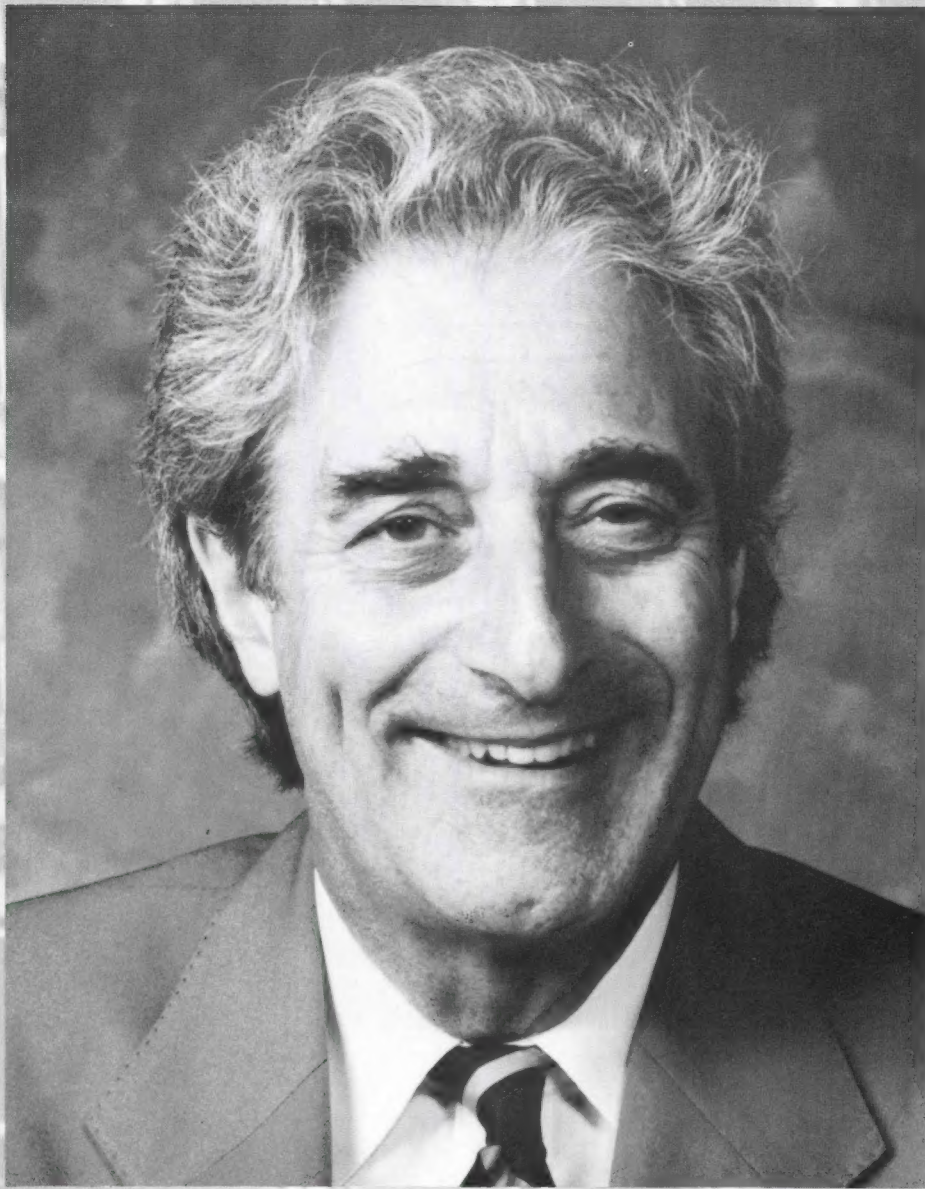

Whether frolicking on the floor of the Guadagni Lounge at a fraternity Beer Bash or wiggling with a belly dancer at an E/EAC Presidents' Dinner or calling Bingo at Student Services Night in the Campus Centre or conducting a Student Leaders' Workshop or monitoring student government elections or talking with a worried student, Brian Counihan was totally dedicated to the welfare of students. He plied his trade mostly with warmth and genuine concern for the thousands of students he encountered during nearly three decades; laughter was a constant ingredient.

At his retirement reception on November 30, 1995 a respected student leader, Marika Giles, said of him "We may be able to replace Dean Counihan but nobody will ever fill his shoes."

Since 1978 Dean Counihan has sustained the publication of this prized souvenir for graduating students — the Concordia Yearbook.

Dear Members of the Graduating Class of 1996,

As you finish this stage of life's great adventures, you will embark on another. These are challenging times for Montréal, for Québec and for Canada. There are also challenges as you go on to further studies or to seek employment. I hope your education and experiences at Concordia have helped prepare you to deal with these challenges effectively and also with vision, equanimity and tolerance.

Although you are graduating you are not leaving the Concordia community. You are joining 80,000 other alumnae and alumni who make up this community and I hope you will treasure membership in it as much as we want you to remain involved. This University needs you, now and in the future, and I trust you will continue to derive satisfaction from your connection with Concordia.

Please accept my best wishes for success in your endeavours.

# HISTORICAL BACKGROUND

## *The History of Loyola*

In 1848 Collège Sainte Marie was founded. Loyola College grew out of the English programme of Collège Sainte Marie, and was established as a separate entity in 1896.

Growing enrollment at the college forced Loyola to move several times. From the corner of Bleury and Ste. Catherine street, it moved to Drummond street, before settling in Notre Dame de Grace in 1916.

The college offered preparatory studies for young men, opening its doors to women for enrollment only in 1959. Students were made up of high school and undergraduate students until 1921, when Loyola High School became a separate entity.

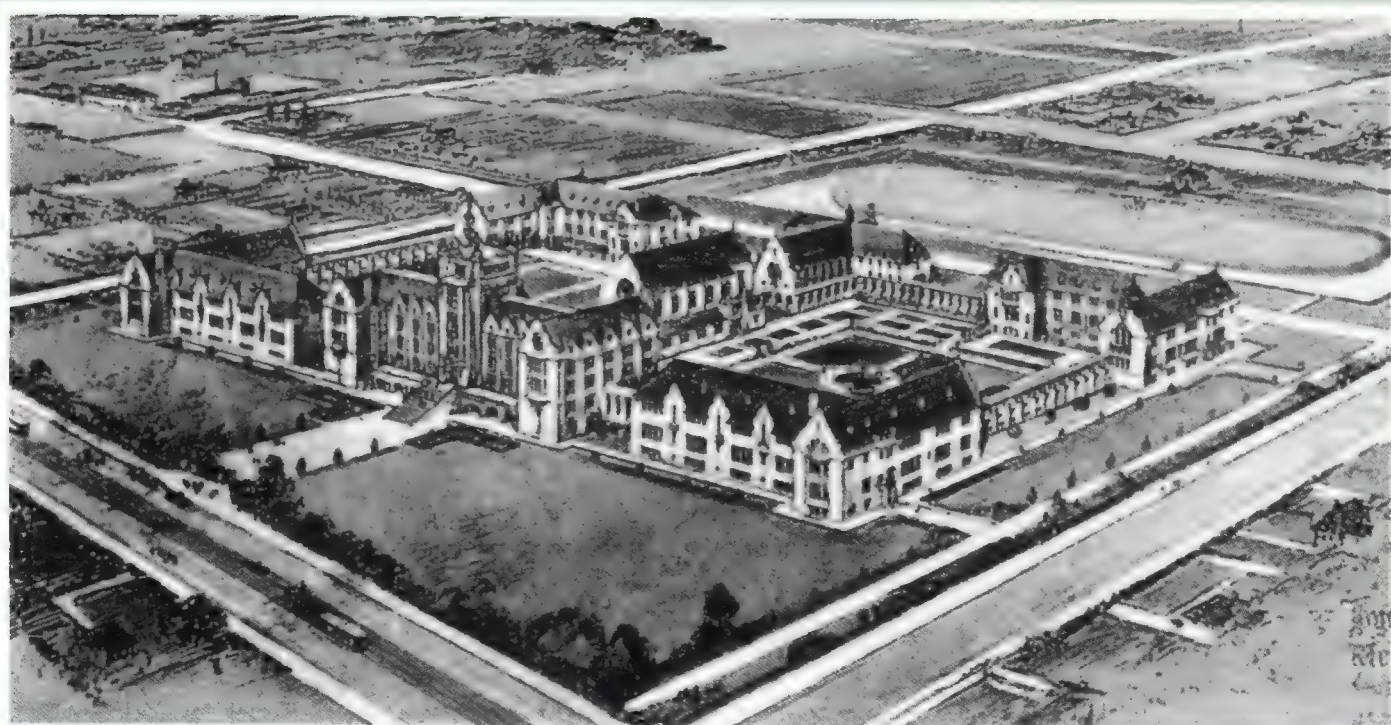

Curriculum at Loyola College grew from being classically-based to liberal arts-oriented, but theology and philosophy remained part of every student's degree until as recently as 1951-72.

Victoria Square (1874)*

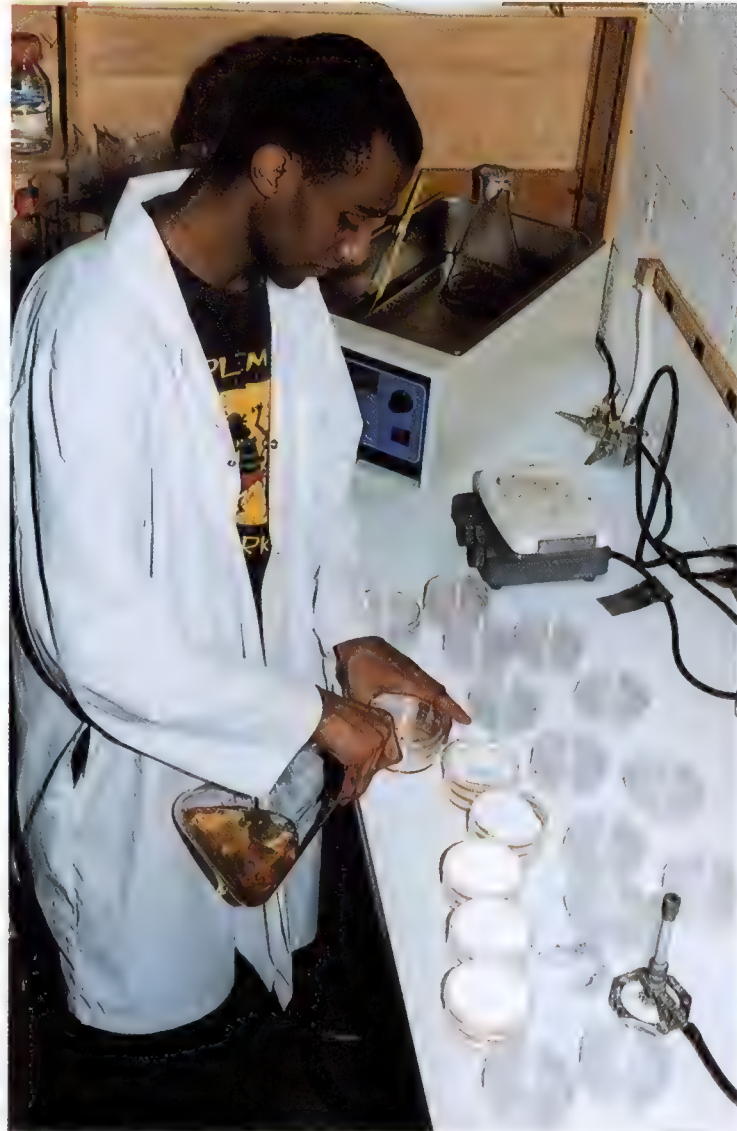

The Montréal YMCA was founded in 1851 and until 1873 it operated out of rented quarters. This building was the first in Montréal built by and for the YMCA, and it was occupied by them from 1873 until 1891. The building contained an assembly hall with a seating capacity of 600. The cost of the building and its furnishings was \$60,000. It was in this building that the YMCA initiated evening classes in 1873-74. The program at that time expanded rapidly, and by 1926 it became known as Sir George Williams College and Schools.

Concordia is the product of two very distinct flavours in academia. Just over 20 years ago, Loyola, a school once steeped in Jesuit tradition, and Sir George William's, a community college founded by the YMCA, were merged like chocolate and peanut butter in a Reese's Pieces taste collision.

Loyola, located in the green West End provided an intimate setting for classical education. Sir George Williams served the complex needs of a diverse urban population. BANG!

"Hey, you've got your diversity in my intimacy."

"No, you've got your intimacy in my diversity."

Intimacy and diversity, Concordia University; intimate classes and a diverse student body created by the unique dynamism that distinguished Concordia University from the rest. Two culinary philosophies merging, allowing us to benefit from a "moderne et nouveau" academic cuisine.

## What makes Concordia different from other universities?

*Concordia's student population obviously screams, "DIVERSITY!" Besides our different nationalities, this school is one of the largest urban universities in Canada, with about 26,000 students (part-time and full-time) attending classes on both campuses.*

# OUR Libraries

The main libraries of Concordia are the Webster Library and the Vanier Library.

Vanier Library in winter . . . brrrr

The Loyola campus library is named after the former Governor-General of Canada, Georges P. Vanier (1959-67). His enthusiasm for Canadian youth lives on; the Vanier cup bears his name as well.

In September 1992, the downtown library opened to the Concordia Community. It is named after R. Howard Webster, a former chair of *The Globe and Mail*, and is located in the J.W. McConnell Building on de Maisonneuve. Teachers' offices, the bookstore, an art gallery, Financial Aid and the Registrar's Services are all a part of the \$65 million project to enhance Concordia education.

As hard as it is to believe with so many successes over the years, the 1995-96 season was probably the best season in the history of the Concordia women's hockey program. The Stingers won all five of the tournaments they participated in, including the prestigious Princeton Thanksgiving Tournament in November and their own Theresa Humes-CCM Invitational Tournament in February. Winning the Theresa Humes championship with a come-from-behind 4-3 win over the North York Aeros was definitely the highlight. The Stingers came through their toughest field of competition ever and had to play their best hockey of the season to win.

Concordia also won an international showdown against the Russian National team at the Loyola Arena on Feb. 28. The score was 6-4 for the Stingers. Then in March the Stingers went on to win the Quebec Student Sports Federation (QSSF) championships. At the season's end, the Stingers had a 32-game undefeated streak going.

There were many individual highlights. Head coach Les Lawton recorded his 300th career victory on Nov. 26, 1995. The milestone came in a 7-4 win over the New Hampshire Wildcats at the Princeton tournament. Of the 12 spots of the QSSF first and second all-star teams, Stinger players took six of them. Goaltender Lesley Jordan, forwards Cammi Granato and Corinne Swirsky, and defenceman Kellie Rae Ryan were named to the first team, while rearguard Delaney Collins and forward Nancy Deschamps were named to the second team. Lawton was named QSSF Coach of the Year, Granato was the MVP and Swirsky was the Rookie of the Year.

The Stingers were 35-2-4 overall and 9-1-2 in the QSSF.

Going into the 1995-96 season, head coach Yves Beaucage knew it was a rebuilding year and that there would be ups and downs. Fortunately, there were a lot of highlights, including an impressive 8-7 victory over the McGill Redmen at the Corey Cup. The Stingers also hosted a tournament for the first time in a few years. Concordia finished second in their holiday hockey tournament, narrowly losing out to the Manitoba Bisons 7-5. On January 3, before a packed house at the Loyola Arena, the Stingers played the number one team in the NCAA at the time, the Maine Black Bears. The Stingers lost 8-3 but enjoyed the prestigious American team and playing before a full house.

The Stingers were 7-19 in the Ontario Universities Athletic Association Far East Division and 10-25 overall. With only five players who had over two years of experience, the team struggled at times but it was clear that the rising talent will shine in years to come. The season wrapped up with a rather unusual but rewarding event. On March 15, the Stingers took part in the Montreal Canadiens' parade from the old Forum to the new Molson Centre.

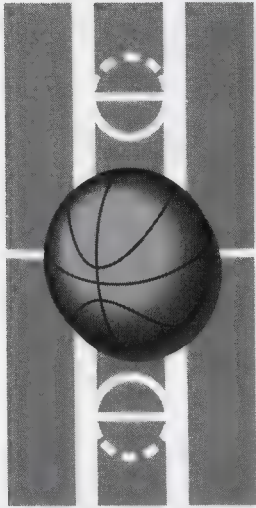

# SHOOTIN' HOOPS

## WOMEN'S

### BASKETBALL

Under new head coach Keith Pruden, the Concordia women's basketball team made great improvements in the 1995-96 season. They posted a 7-5 record in the Quebec Student Sports Federation (QSSF) conference, which was good enough for second place. Then it was on to the conference semifinal versus the third-place Laval Rouge et Or. The February 28 game at the Loyola Gym was the first home playoff game for the women's team in 10 years. Despite the historic quality of the event, the result of the semifinal was a heartbreaking 69-68 loss for the Stingers.

Fortunately, the talent of this team was acknowledged throughout the season. Forwards Patricia Demers and Guylaine Blanchette were both named to two tournament all-star team in non-conference play. Demers was named to the OSSF first all-star team, while Blanchette and forward Isabelle Bernier were named to the conference's second all-star team. The Stingers posted a 14-16 overall record.

*Top row:* Sandy Anderson (Athletic Therapist), Keith Pruden (Head Coach), Marie-Helene Heroux, Janice Marshall, Guylaine Blanchette, Isabelle Bernier, Patricia Demers, Robert Ferguson (Assistant Coach), Karla Wall (Athletic Therapist), Christine Durrant (Manager). *Bottom row:* Wanita Jones, Melani Whims, Jennifer Smith, Nadia Murphy, Wanda Vieira, Joanne Fasone, Monica Nolet, Sabrina Gaspari.

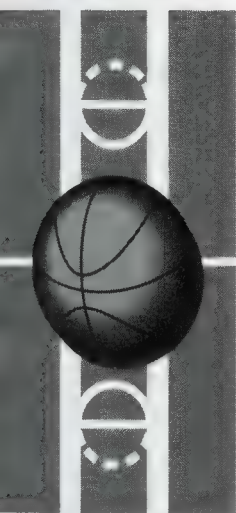

# NO GUTS, NO GLORY!

## MEN'S

## BASKETBALL

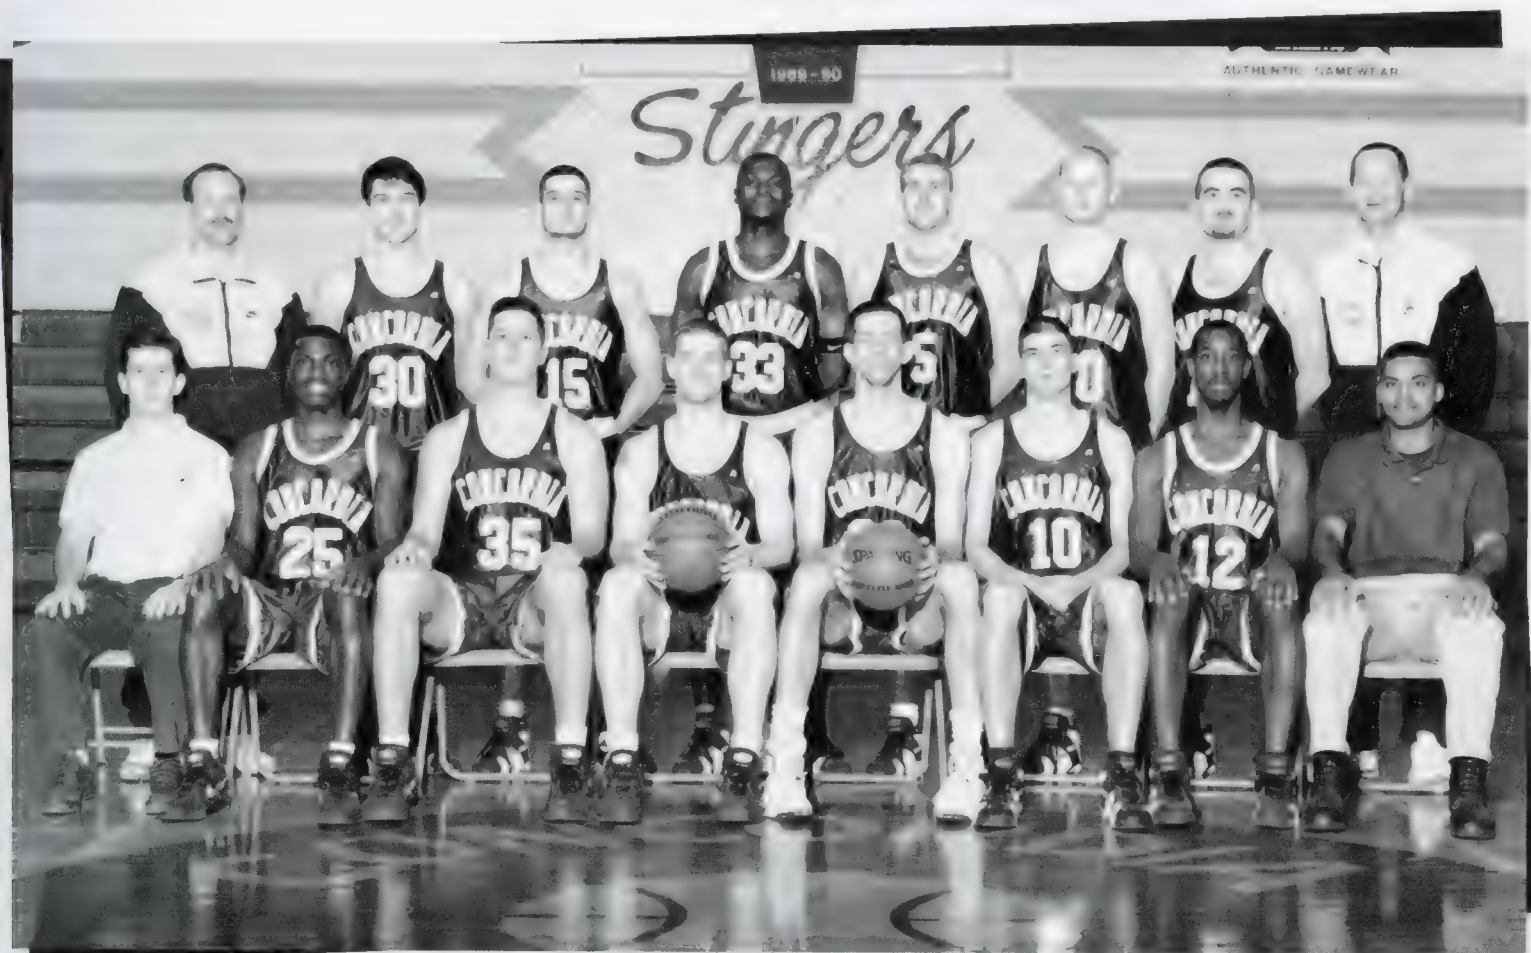

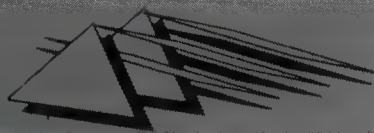

The Concordia men's basketball continued its winning ways in the 1995-96 season. The Stingers won their own Nike Centennial Tournament in October and then won St. Francis Xavier's tournament in November. In the fall, Concordia also defeated several prestigious Division II American schools: University at Albany and Johnson C. Smith. The Stingers won their eighth straight conference championship this year, defeating the Bishops' Gaiters in the Quebec Student Sports' Federation (QSSF) championship. After that, it was off to Halifax and the Final Eight Championship Tournament from March 15-17. The Stingers entered the nationals seeded eighth and finished in sixth place. They lost their opening round game 98-79 to the University of British Columbia Thunderbirds, won their second game 93-82 over the McMaster Marauders and lost the consolation championship 84-75 to the Acadia Axemen.

There were many individual honours this season. Forward Maxime Bouchard was named outstanding player in the QSSF and he was a second team All-Canadian. Forward J.P. Reimer was named to the QSSF first all-star team, while forward Gaetan Prosper was named to the second team. Prosper, who is also an Academic All-Canadian, was also named Concordia's Male Athlete of the Year. As a team, the Stingers were 8-4 in the QSSF and 21-10 overall.

*Top row:* John Dore (Head Coach), Justin Padvaiskas, Johnny Yotis, Gaetan Prosper, Daniel Furlong, Cory Peddie, Constantine Gymnopoulos, Harvey Liverman (Assistant Coach). *Bottom row:* Rob Joseph (Therapist), Jay Prosper, Eric Bours, J.P. Reimer, Fred Arsenaault, Maxime Bouchard, Ezra Franklyn, Mark Bayne (Manager).

# WOMEN'S SOCCER

Under the direction of head coach Sylvia Franz, the Concordia Stingers women's soccer team finished the season with a 2-8-2 win-loss-tie record. The team, which is in a rebuilding phase, failed to make the playoffs. Youth (there were 12 rookies) and enthusiasm just weren't enough to help the team beat out some of the more experienced teams. One young player distinguished herself. Rookie Tania Morsani was named to the QSSF second all-star team.

TOP ROW (L to R): Mia Scott, Brenda Kudidshieh, Dominique Lloyd-Smith, Meredith Flannery, Carmie Giordano, Tania Morsani  
MIDDLE ROW (L to R): Sylvia Franz (head coach), Meagan McCaffrey, Heidi Fournier, Michelle Johansson, Melanie Mundy, Christine Richlich, Nadia Brasseur, Delany Collins

Middle row (L to R): Vladimir Pavlicik (head coach), Joe Onorato, Mario Lombardi, Tony D'Addario, Lewis Turchette, Tom Savageau, Fernando Borja, Lynn Williams (athletic therapist), Chris Rose (assistant coach)

Top row (L to R): J.M. Petithomme, Alex Navarette, David Fernandez, Jason Bressler, Andrew Adams, Jason Rose, J.P. Delia.

After a very mediocre performance in 1994, the Concordia Stingers were back with a vengeance in 1995. They finished the season with a strong and impressive 6-3-1 win-loss-tie record, which left them in second place in the QSSF. The Stingers then met their arch-rivals, the McGill Redmen, in an usual two-game semifinal series. The team that scored the most goals wins the series. Also, goals scored on the road are worth more than goals scored at home. So the Stingers and the Redmen tied 1-1 at McGill and tied again 2-2 at Concordia, which gave McGill the victory in the series.

There were many honors for the individuals on the men's soccer team. Tony D'Addario, Mario Lombardi and Anthony Primiani were QSSF first team all stars, while Ron Eliakim and Jean-Marie Petithomme were second team all stars. At the national level, Maro Lombardi and Anthony Primiani were second team All-Canadians.

## WOMEN'S RUGBY

After years of dominating the university women's rugby ranks, the Concordia Stingers had their hands full in 1995. They posted a 2-6 win-loss record, which was good enough to lock up the last playoff spot. In the semifinal the Stingers lost 45-0 to the Bishop's Gaiters. Despite the team's struggles, two athletes had exceptional seasons and were voted to the QSSF all-star team. They were: Dia Hurtubise and Jen Palmer.

## MEN'S RUGBY

The Concordia Stingers men's rugby team opened their season in September with a 94-0 win over the Université de Québec à Trois-Rivières and didn't look back. They posted a 5-2-1 win-loss-tie record and finished in second place, which was much better than past years. Unfortunately, their momentum ran out on a cold and blustery day at Concordia Stadium. The Stingers lost a hard-fought semifinal contest 16-8. Three men of the Stingers were named to the QSSF all-star team. They were: Chris Papadopoulos, Jason Della Rocca and Alfredo Demartino.

**TEAM LIST:** Jose Luis Aguire (Head Coach), Clive Gibson (Assistant Coach), Gavin Broomes (Therapist), Anne Guglielmi (Therapist), Geoffrey Beaulieu, Anthony Browne, Russell Browne, Anthony Clark, Jacob Cocks, Derek Della Rocca, Jason Della Rocca, Alfredo Demartino, Jan Denis, Emmanuel Evdemon, Mathieu Garston, Samuel Goldie, Clifford King, Francesco Lepanto, Jen Lew, Keith MacDonald, Van Malkhassian, Roman McNamara, Richard Mintz, Chris Papadopoulos, Stephen Peacock, Joel Phillips, Remy-Antoine Sandoval, George Subirana, Paul Van Wyck and Andray Wellington.

Overall, Concordia came in seventh out of the 11 teams in Quebec.

## SKI TEAM

## TRACK AND FIELD

This was the best track and field team in the history of Concordia University. Many athletes finished in the top spots at various meets, and the team took five medals at the provincial championships. Leslie Heller won gold medals in the high jump and 60-metre hurdles. Lenroy Henry won silver medals in the 60-metre and 300-metre events. Shelly Flaro earned a bronze medal in shot put. For the first time ever, Concordia had two representatives at the national championships. Leslie Heller and Lenroy Henry were great representatives of Concordia, even if they did not collect any silverware.

Team list: Elfrida Taylor (head coach), Janice Candlish, Shannon Dickson, Shelly Flaro, Helen Georgiou, Beryl Bedard, Mark Collins, David Dewar, Ronald Fung, David Gallaher, Kevin Gould, Leslie Heller, Lenroy Henry, Christos Karidogiannis, Andrew McClory, David Peters.

## WOMEN'S VOLLEYBALL

TOP ROW (L to R): Melanie Sanford (head coach), Cindy Moy, Cathy Chan, Eleanor Chan, Sylvia Lacombe, Donna Roxburgh, Stella Lee, Helen Tsatsoulis, Mike Squarek (assistant coach)

The Concordia Stingers women's volleyball team made great advances in the 1995-96 season. The Stingers finished fourth in the QSSF and secured a playoff spot. Unfortunately they lost 1-15, 14-16, 2-15 to Université de Laval, a perennial powerhouse, in their semifinal. The team also did very well in non-conference competitions. The Stingers won the University of Ottawa tournament in late January and had a great time hosting Tokyo Gakugei University from Japan for a week in November. There were many honors for members of the team. Middle hitter Cassandra Bardo was a QSSF all-star and was also named Concordia's Female Athlete of the Year. Setter Eleanor Chan received the Denise Beaudet, given annually to the female athlete who through leadership, sportsmanship and sacrifice, demonstrates a commitment to excellence.

The Stingers finished the season with a 3-13 record in the QSSF and 22-27 overall record. They were also ranked among the top 15 teams in the country for most of the year.

## 1-2-3-PIN! WRESTLING

Under the direction of veteran head coach Victor Zilberman, the wrestling team enjoyed a great 1995-96 season. A large part of the team's success was due to newcomer Jean-François Daviau, who won a gold medal at the national championships in February. He was also an All-Canadian and was named Concordia University's Male Rookie of the Year.

Top Row: Hagan McCreath, Patrick Theriault, Jason Scoufaras, Jason Della Rocca, Mark Shalinsky, Victor Zilberman (head coach). Bottom Row: Jean-François Daviau, David Wilson, Anthony Carelli.

The Concordia football team's reputation for developing first-rate professional prospects continued to grow this season. Fullback Farrell Duclair and wide receiver Denis Montana finished up their Concordia careers by being drafted in the first round of the Canadian Football League draft on March 14, 1996. Duclair went eighth overall to the Calgary Stampeders, while Montana was chosen ninth overall by the hometown Montreal Alouettes. Montana also attracted a lot of attention from NFL teams and may have opportunities south of the border.

As a team, the Stingers ran hot and cold. They posted two very impressive victories over the first-place Ottawa Gee-Gees but struggled against their Quebec counterparts. In the end, they went 4-4 and finished fourth in the Ontario-Quebec Intercollegiate Football Conference.

The Stingers suffered a disappointing semifinal loss to the same Ottawa Gee-Gees they that they so dominated during the regular season.

A few other individuals distinguished themselves. Quarterback Dennis Pitselis became Concordia's all-time single season passer, while slotback André Bolduc, linebacker Johnny Petrella and punter Dimitrios Manolopoulos were OQIFC all-stars.

# SHUFFLE '95

Gorgeous does not begin to describe the afternoon of September 29, 1995 when dozens walked for Shuffle '95. Sun rays warmed Sherbrooke Street as Shufflers strolled from downtown Sir George Williams to west end Loyola. Many lucky Shufflers won prizes at the end of the day: Concordia ski jackets, hockey tickets and portable stereos. Shufflers, corporate sponsors and private donations raised over \$53,000 for Concordia University scholarships. Montreal celebrities like Terry Di Monte, Ted Bird (*Mix96*) and Rob Faulds (*Hockey Magazine*) enhanced the cheerfulness of the occasion with their humour and enthusiasm.

Health Fair '96 — On January 31 and February 1, the mezzanine was covered in a sea of blue with displays from the Canadian Cancer Society, Le Figo Vert, the Concordia Women's Centre and Health Services. Owen Moran organized the event and said that the annual health fair is important to the Concordia community because it educates as well as provokes questions about human wellness. The CPR demonstrations, the NutriGrain bar giveaways, the impressive displays, and the crowd-pleasing Brazilian battling dance (courtesy of Athletics) made it all too easy for Concordians to lose themselves for an hour and think about the mind, the body, and the soul.

- 2 University of Western Ontario
- 3 École Polytechnique

The 12th Annual Bridge Building Contest was held on March 15, 1996 in the lobbies of the Hall and Webster Library Buildings. Teams from all over Canada competed in the event, which required these aspiring engineers to construct a bridge from popsicle sticks, dental floss and Elmer's Glue. The bridge was then put to the ultimate test - The Crusher. This hydraulic press, capable of generating up to 1500 pounds of pressure, tested the staying power of the bridges. The first place winners boasted a resistance to 800 pounds of pressure. Concordia's team finished 6th out of 32. Congratulations to all involved.

# Cheers! ...to a life-long Association

Your affiliation with Concordia University continues well after Convocation. In fact, graduation signifies that all-important time in one's life when the title of student is exchanged for that of alumnus/a and member of the Concordia University Alumni Association.

The Concordia University Alumni Association creates a link between you and your alma mater. It offers alumni the opportunity to participate in a variety of educational and cultural programs, to socialize with other graduates, and to rekindle old friendships.

If you would like more information about the Concordia University Alumni Association, its activities, benefits and services, please contact us:
